"We couldn't have been happier or more grateful to the whole team at Rockbeare Manor for helping make our special day spectacular. The house was in the midst of the refurbishment when we booked our wedding but it was clear even at that stage that this was the place we had been looking for. Aimee was so helpful with everything and answered all the little questions we had. The food and attention to detail on the day were fantastic. Best wedding venue in Exeter (in our opinion)."

Why They Booked (in random order)

"As soon as we saw the venue we were amazed and we were hoping that the initial service we were going to receive matched up...which it most certainly did! Aimee was excellent, very attentive and genuine. There was no pressure from her, she was genuinely happy that we were visiting. Rockbeare was the first wedding venue we looked at. We went on to look at others, as we thought best to see what else is out there, but we couldn't stop talking about Rockbeare and everywhere else we went we were just saying It's not as nice as Rockbeare and this lady isn't as nice as Aimee...it was a no-brainer in the end. Amazing venue, very professional team and superb catering made for an incredible day!"

Mr Nick Denslow

"We are one of the last couples to get married and therefore we were struggling to find a venue and we just needed to drive up the drive at Rockbeare manor to know that we wanted to celebrate our special day there."

"On our first visit to Rockbeare we could see how much work was being put into the restoration and knew the end result would be beautiful! When we met with the team we knew we would be well looked after and they shared our vision of our wedding day. The support they gave in the early stages of planning made it a stress free and enjoyable experience - we knew from the start our wedding there would be amazing and it was!"

Mrs Claire Harris

"The location, the atmosphere, so close to my church, you could tell there effort in to detail for the venue and planing your day even tailoring your food options."

Mr James Beaumont

"The setting is beautiful, and the recent renovations stunning and appropriate for a property of this style and location. We have known the property and its surroundings for many years ,and I think the team there have done a brilliant job and were able to organise our wedding with no fuss and give us and 111 guests a memorable day. Guests came from Canada , New York ,London and Bath and the afternoon tea and evening supper was also commented on by our guests as exceptional."

the works were completed. Rockbears was everything we wanted in a venue, being that bit different to other venues in Devon and providing an elegant venue in beautiful surroundings whilst retaining a relaxed feel about it. Aimee was friendly and professional from the outset. We felt that we wouldn't be 'just another booking' and it was obvious we would receive a much more personalised service throughout the planning process compared to other venues we had visited."
